Parents who are unable to volunteer will be given the option of paying the non-subsidized tuition rate of \$1,650. Parents who do not submit a completed form by September 1<sup>st</sup> will be assigned 3 volunteer duties, and if fail to perform these, will be charged the non-subsidized tuition rate (\$1,650).

Payment plans are available to all orchestra members. The first payment is due with your registration packet. A coupon book will be mailed to each family enrolled in the payment plan option. A \$5 / month processing fee is included in all payment plans. A student whose tuition payments are not current may be disqualified from performing. If at some point during the year you would like to request Tuition Assistance, please contact the YMM office for an application. Please note that all payments are due until Tuition Assistance is granted and that Tuition Assistance cannot be used to cover back payments. Information on Tuition Assistance is enclosed.
