

Youth Music Monterey County Executive Director Search

Annual Salary up to \$80,000 commensurate with experience

INTRODUCTION

Youth Music Monterey County seeks an Executive Director who will devote their full time and best efforts to the business and mission of YMMC, performing executive, administrative and supervisory duties as defined in the Executive Director Job Description, and exercise such powers as specified by the Board. Candidates must possess strong communication skills, are well-organized, enjoy working with youth and families, and feel passionately about the importance of music education.

The Executive Director reports to the Board of Directors and works closely with key staff. The Executive Director, in conjunction with the Music Director and staff, serves as an artistic liaison to the community: with parents, students, donors, and funders, as well as music professionals, school educators, local and state government, and traditional and new media.

ORGANIZATIONAL HISTORY

Founded by Ruth Phillips Fenton, Youth Music Monterey County was established as a 501(c)(3) organization in 1988 with the merger of two programs: the Youth Orchestra of Monterey County (est. 1981) and Summer Music Monterey (est. 1965). For over 50 years, YMMC has provided high-caliber music education and ensemble-playing opportunities for young people throughout Monterey County. Youth Music Monterey's mission is *to inspire excellence in individual students and enrich our community by providing young people with opportunities to participate in, and gain greater understanding of, music and its performance.*

In the North County/Peninsula/Salinas area, our **Junior Youth and Honors Orchestra programs** provide two levels of orchestra experience, intermediate (Junior Youth), and advanced (Honors), allowing students the opportunity to ultimately study and play standard symphonic repertoire. These audition-based orchestras include approximately 90 students ages 8-20 from over 30 schools throughout Monterey County. The orchestras perform three concerts at Carmel's Sunset Center to much acclaim each season. The orchestras program has allowed our young students to study with distinguished conductors, including Stewart Robertson, Vincent Gomez, John Larry Granger, Farkhad Khudiyev, and Danko Drusko.

Over the years, YMMC has benefited through affiliations and collaborations with the Eastman School of Music, Monterey Jazz Festival, Carmel Bach Festival, Carmel Music Society, Monterey County Symphony, Chamber Music Monterey Bay, and Monterey County Pops Orchestra. YMMC strives to help support a means by which a student can progress from beginner to collegiate and conservatory level playing. YMMC offers introductory music programs, designed to be a student's first musical experience. **Orchestra in the Schools** provides over 90 students in grades 3-8 in Monterey County, an opportunity to learn an instrument, be part of an orchestra and perform with students from other schools. YMMC's **South County Strings** program offers free music instruction to approximately 150 students in South Monterey County, bringing instruments and music instruction to areas where the opportunity would not otherwise exist. Combined, the 325+ students of YMMC programs present over 30 performances each season to an audience of over 7000 community members.
